Villa Garlands is new to our villa selection, coming to us in June 08. It is one of the most lovely villas on our books: elegantly furnished mixing light wood with soft leather seating and complimenting with warm Mediterranean colours. Garlands is in a great position, offering sea views and privacy around the pool and large garden seating area. The interior of the villa is tastefully and carefully furnished, maximising space and views in every room: the exterior of the villa is generous, with lovely garden area and private swimming pool. The pool area is private for sunbathing. One of only a few new Paschali villas in an exclusive cul de sac in prime position in Coral Bay, we're very proud to have Garlands to offer our guests, knowing we'd love to stay in it ourselves!

This villa includes the provision of a holiday welcome pack within the rental price. The owner is also happy to pay €55 euros towards the mid clean (50%) if the guests would like to pay the other half
